新加坡緬甸玉佛寺

Alteration & Addition (A&A) Project Completion and Message of Gratitude and Rejoicing

With Deepest Appreciation to All Devotees, Friends and Supporters.

With hearts filled with gratitude and joy, the Management Committee of the Burmese Buddhist Temple extends our deepest appreciation to every devotee, friend, well-wisher, benefactor and supporter who has contributed so generously towards our Addition & Alteration (A&A) Project.

We are delighted to share that, by the grace of the Triple Gem and through the collective merits, kindness and generosity of countless individuals, all major construction and renovation works have been successfully completed in July 2026.

This remarkable journey began with a simple aspiration—to build a passenger elevator so that elderly devotees, monks, persons with disabilities, families with young children, and all visitors could move comfortably and safely throughout the temple. As time progressed, it became clear that a more comprehensive undertaking would better serve the temple and the Buddhist community for generations to come.

The project therefore evolved into a major extension and renovation of the temple, encompassing extensive structural construction, mechanical and engineering systems, electrical upgrading, plumbing replacement, renewal of water pipes and fittings, enhancement of network infrastructure, replacement of essential equipment and air-conditioning systems, installation of new floor tiles, landscaping, restoration and beautification of walls and paintings where required at certain areas, together with many other improvement works.

This multi-million-dollar undertaking would simply not have been possible without the unwavering faith, generosity and compassionate giving of the public. Every donation, whether large or small, represented an offering of goodwill and loving-kindness. Every contribution became a brick in building not merely a physical structure, but a sanctuary where the Buddha's teachings may continue to flourish.

In Buddhism, generosity (Dāna) is the first step on the Noble Path of cultivation. Your selfless support has enhanced the conditions for countless people—today and in the future—to hear the Dhamma, practise meditation, perform acts of merit, and cultivate wisdom and compassion. The merits generated through your generosity extend far beyond the completion of this project; they become a lasting legacy that benefits innumerable beings.

As we enter this new chapter, we warmly invite everyone to make the temple a regular part of your spiritual life. Come to offer prayers, meditate in peace, participate in Dhamma talks, celebrate Buddhist festivals, volunteer in acts of service, and cultivate wholesome friendships within the Sangha.

May this renewed temple be a place to continue more strongly as:

- Families gather across generations to strengthen bonds through shared faith and values.
- Children and youths grow with kindness, respect and wisdom rooted in the Buddha's teachings.
- Friends come together to perform wholesome deeds and create lasting merits.
- Elders find comfort, peace and spiritual companionship.
- All who enter discover tranquillity, mindfulness and renewed inspiration amidst the busyness of daily life.

A temple is more than bricks and mortar. It is a living spiritual home where compassion is nurtured, wisdom is cultivated, and hearts are united in harmony. Together, we have improved this sacred space that will continue to serve our community for many decades to come.

On behalf of the Management Committee, we once again offer our heartfelt thanks to every donor, volunteer, contractor, consultant, professional advisor, and friend who journeyed with us throughout this remarkable undertaking. Your confidence, encouragement and generosity have transformed a vision into reality.

May the merits of your wholesome deeds bring you and your loved one's abundant blessings. May you enjoy good health, happiness, peace, harmony and prosperity. May your practice of the Dhamma continue to deepen and may the light of wisdom guide your path.

We look forward to welcoming you and your families to the Burmese Buddhist Temple often, as together we continue to preserve, practise and share the Buddha's timeless teachings for the benefit and happiness of all beings.

With Metta and Gratitude,
